Sales Tax

The appropriate sales tax will be added to your order for ship to addresses in the following state(s):
Louisiana.

Shipping and Handling

We primarily ship via the United States Postal Service using the most economical method. We charge a fee of 14% of the purchase price (minimum of \$4.50) to cover the cost of shipping and handling “within the continental United States.” For shipments outside the continental United States, the actual shipping charges will be charged at the time your order is processed.

If you give us special shipping instructions (for example, expedite requirements or shipment via another carrier like UPS or Fedex), we will try to accommodate you. The actual cost for these additional services will be added to the price for the order.

Insured Shipments

Shipments are only insured when necessary (e.g., fragile items, expensive items, customer request). If normal shipping and handling charges do not cover the cost of insurance, the cost of the insurance may be added to the price for the order.

Delivery

Normally, you should receive your items within 7 to 10 days from the date they are shipped. Since we are primarily shipping via the United States Postal Service, please remember that holidays will affect the length of time to receive your shipment.

Gift Certificates

Our gift certificates are the perfect solution for any special occasion. From celebrating birthdays and graduations, to anniversaries and weddings, Book Room gift certificates make it easy to please just about anyone on your list.

They are available in any amount. Gift certificates are redeemable for Radio Bible and Book Room merchandise only. When ordering, be sure to include your name and address and the name and address of the recipient. If partially used, any refund will be issued in the form of an additional gift certificate.

Returns / Exchanges

You may return unused or defective merchandise for exchange only. We will do everything we can to accommodate an exchange request. Our ability to process the exchange is based on product availability. We do not offer cash reimbursements for returned items. If an exchange is not possible, we may elect to provide store credit for use on future purchases.

Please contact our store personnel to coordinate returns / exchanges before you send items back to us.

You will be responsible for paying the return shipping costs.

Choir CDs

Through the years, many of our listeners requested audio recordings of our radio choir in the "Voice of Truth" broadcasts, and this old-fashioned music is now available in 11 CDs. A title listing and price for each is available either in print or on our web site. These recordings are the old-fashioned "blood songs" that our parents and grandparents used to sing. We use the old hymnals to sing to the glory of the Lord and for your spiritual edification.

For pricing and other information see the **Audio:CD:Music** section earlier in this catalog.

CD Ministry

The five messages that are preached during the week and the Old Trailblazer broadcasts are recorded and made available for purchase or for use in our Revolving Plan. Many individuals use them for mission work, in chapels for services, in nursing homes, or for a lending library of sermons. In addition, music recordings by H. G. Gueho (baritone hymns), E. Hale (original guitar hymns), and D. Gueho (piano & organ music) are available for purchase.

If you are interested, information and prices are available upon request.

Printing Ministry

Since 1950, we have been printing and distributing Pastor Shelton's (the founding pastor of First Baptist Church of Algiers) sermons in booklet form distributing them free of charge by the hundreds of thousands. We currently have over 460 titles available for free distribution simply for the asking.

In addition, we also publish our "Voice of Truth" magazine on a quarterly basis and send it out all over the nation and to many foreign countries around the world.

A selection of our printed material is also available on our website.

Just contact us to let us know if you are interested in receiving any of these publications.
